FOR IMMEDIATE RELEASE

BROCK SMITH CUSTOM HOMES, LLC ANNOUNCES NEW AFFILIATION WITH KOHLER COMPANY AND FERGUSON BATH & KITCHEN GALLERY

Snoqualmie-based builder Brock Smith and his company Brock Smith Custom Homes, LLC is continually looking for ways to add value for their clients when building their custom home. One of the ways they do this is to affiliate themselves with subcontractors and suppliers who exemplify the qualities that they strive to base their company upon.

Brock Smith Custom Homes, LLC, Kohler Company and Ferguson Bath & Kitchen Gallery are joining together to bring their clients a valuable opportunity. Clients of Brock Smith Custom Homes, LLC will have the opportunity to work with the professionals at Ferguson Bath & Kitchen Gallery and utilize their stunning showroom that features many of the latest Kohler Company plumbing products. Clients will be able to select their plumbing trim package that meets their needs, design ideals and budget. Brock Smith Custom Homes, LLC is now able to purchase their Kohler Company plumbing packages directly from Ferguson allowing them to pass cost savings directly along to their clients.

When previously working with Steve Burnstead Construction, Brock Smith made it a priority to ensure that the division that he managed was a “Registered Kohler Home”, the only division at Burnstead to receive this distinction and one of a select few builders in Bellevue to receive this certification. “As the local Kohler Sales Representative and later as the Western Regional Manager I have worked with Brock for 7 years,” explains Merle Gluckman, Regional Construction Sales Manager with Kohler Company. “When Brock was with Steve Burnstead Construction he made it a priority to ensure that the neighborhoods that he oversaw were “Kohler Registered Neighborhoods” and we worked closely with Brock and his team to incorporate the latest Kohler Company plumbing products into their homes. We utilized green products such as dual flush toilets, high-quality and low maintenance products like Kohler Vikrell tubs and showers and luxury products including the latest tubs and shower products.”

Brock Smith Custom Homes, LLC along with Kohler Company and Ferguson Bath & Kitchen Gallery are proud to announce this exciting new relationship. “We are excited to continue our working relationship with Brock and to be a part of his Custom Home Team,” says Gluckman. “The Ferguson Bath & Kitchen Gallery showroom is part of our national “Registered Showroom Program” and as such they display a wide array of Kohler Company products and provide a quality plumbing selection experience for our clients.”
